AMENDMENT TO OIL AND GAS LEASE

WHEREAS, City of Fort Worth ("Lessor") and Titan Operating, LLC ("Lessee") entered into that certain Oil and Gas Lease dated October 19th, 2009, a Memorandum of Oil & Gas Lease of which is filed in Document #210009640, Official Public Records of Tarrant County, Texas (the "Lease"); and

WHEREAS, Lessor and Lessee desire to amend the Lease in the manner provided below.

NOW, THEREFORE, in consideration of the premises and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Lessor, and Lessee hereby amend the Lease, as follows:

Paragraph (7) Seven of the Lease is titled "Retained Acreage" and contains sub paragraph B titled "Horizontal Wells". Lessor and Lessee agree to remove and replace sub paragraph (B) titled "Horizontal Wells" of the Lease with the following:

B. Horizontal Wells

It is expressly understood and agreed that, subject to the other terms, provisions and limitations contained in this Lease, Lessee shall have the right to drill "horizontal wells" under the leased premises, or lands pooled therewith. The term "horizontal well" or "horizontally drilled well" shall mean any well that is drilled with one or more horizontal drainholes having a horizontal drainhole displacement of at least five hundred eighty-five (585) feet. For the purposes of further defining the term "horizontal wells" and "horizontally drilled" reference is made to the definitions contained within Statewide Rule 86, as promulgated by the Railroad Commission of Texas, which definitions are incorporated herein for all purposes.

*In the event of any partial termination of the Lease as provided in Paragraph 7A, then, with regard to a well which is a horizontal well or a horizontally drilled well, Lessee shall be entitled to retain all sands and horizons at all depths from the surface down to a depth which is the stratigraphic equivalent of a depth of one hundred (100) feet below the base of the deepest producing formation in such well which is capable of producing oil or gas in paying quantities, but only in a spacing unit the area or number of acres of which are equal to the area or number of acres determined by adding twenty (20) acres for each **five-hundred thirty-six and six tenths (536.6) feet** horizontally drilled to the original forty (40) acres deemed to be a proration unit for each vertical well. Each such tract around each horizontally drilled well shall be as nearly in the shape of a square or a rectangle as is practical with the boundaries of the tract including the entire horizontal drainhole and the lateral boundaries of such tract being approximately equal distance from such drainhole and parallel thereto.*

If production should thereafter cease as to acreage included in a proration unit or pooled unit, this Lease will terminate as to such acreage unless Lessee commences reworking or additional drilling operations on such acreage within ninety (90) days thereafter and continues such reworking or additional drilling operations until commercial production is restored thereon, provided that if more than ninety (90) days pass between the abandonment of such well and the commencement of actual drilling operations for an additional well, or more than ninety (90) days pass since the commencement of reworking operations without the restoration of commercial production, the Lease shall terminate as to the applicable proration unit.

At any time or times that this Lease terminates as to all or any portion of the acreage of the leased premises, Lessee shall promptly execute and record in the office of the County Clerk in the County where the leased premises are located, a proper release of such terminated acreage and shall furnish executed counterparts of each such release to Lessor at the address shown in Paragraph 19 hereof.

For the same consideration recited above, Lessor does hereby consent to, ratify, adopt and confirm all of the terms and provisions of the Lease, as amended herein, and does hereby grant, lease, demise and let to Lessee, its successors and assigns, the lands covered by the Lease, as amended herein, upon and subject to all of the terms and provisions set out in the Lease, as amended. The undersigned hereby further declares that the Lease, as amended, in all its terms and provisions, is and remains a valid and subsisting Oil and Gas Lease and

declares that the Lease is binding upon the Lessor and Lessor's successors and assigns. Except as set forth above, the remaining terms and provisions of the Lease shall remain in full force and effect.

EXECUTED this 28th day of June, 2010.
